

**From:** Rick Alexander  
**To:** Microsoft ATR  
**Date:** 12/4/01 9:36pm  
**Subject:** Comments on proposed settlement

The proposed settlement of the Microsoft suit is inadequate and unfair. It gives Microsoft an easy path into the only market it still does not monopolize...education. Also, the settlement is inadequate for the crime and the size of the company.

Sincerely,

Rick Alexander
